Mark your Calendar

Dear Parents/Guardians:

We are getting close to year end so we are planning Our Celebration for our 4 year olds who will be entering Kindergarten.

Celebration will start off with a Pot luck lunch. If you can let teacher know what you will be bringing that would be great.

Our center will provide hot dogs, juice, chumus & cake for the special day.

This year we have about 14 children who will be going to the Big School. We look forward to their day and if you have any questions or idea's please call 250 725-2351 or 250 725-3233 extension 29.

Important messages

The hiring organization will accept job applications in various formats.

- Applicants are strongly encouraged to submit their application on-line to take advantage of the many benefits in using this electronic recruitment system. Some of these benefits are that:
- Applicants can create a profile and a resume that can be used when applying for other processes without having to recreate a new application each time.
- Applicants can modify their application/resume at any time BEFORE the closing date indicated on the job advertisement.
- Applicants can verify the status of their applications, at any time.
- Applicants can be notified electronically of tests or interviews and results.
- For some jobs, applicants will find important information, namely the job questionnaire and a complete statement of merit criteria that are only available when applying on-line.
- Persons who are unable to apply on-line can: fax it to (250) 654-4044, or email it to CoastalBC.HR@pc.gc.ca

Duties

Provides general maintenance, repair and labour services to support grounds, roads and facilities maintenance; construction and installations; and other general maintenance and repair requirements for the Parks Canada Agency.

Work environment

Parks Canada is a federal government agency responsible for the protection and presentation of Canada's outstanding natural and cultural resources through a system of national parks, national marine conservation areas and national historic sites in all regions of Canada.

Intent of the process

The intent of the process is to fill one full-time, temporary position to June 2017.

Note: A qualifying list will be established, and may be used to fill similar positions of various tenures (indeterminate, seasonal, temporary, full-time, part-time) and various locations.

Positions to be filled: 1

Information you must provide

Your résumé.

You must meet all essential qualifications in order to be appointed to the position. Other qualifications may be a deciding factor in choosing the person to be appointed. Some essential and other qualifications will be assessed through your application. It is your responsibility to provide appropriate examples that illustrate how you meet each qualification. Failing to do so could result in your application being rejected.

Other information

Persons who have a priority entitlement as defined by the Parks Canada Agency Priority Policy and Guidelines will be considered first.

Interviews will be conducted – Written/practical test(s) may be administered - Reference checks will be conducted.

The work description is available on request.

Tips for applicants:

- Please provide complete and thorough details of your education and experience.
- Do not assume that the screening board has any previous knowledge of your background, qualifications, or work history.
- You must complete the Screening Questionnaire
- You must be specific and provide concrete examples/details for each Education and Experience element, as applications will be screened only on the information provided.
- Resumes will be used as a secondary source to validate the education and experience described in Screening Questionnaire
- Failure to provide the Screening Questionnaire may result in your application being screened out of the competition.
- Failure to provide sufficient information may result in your application being screened out of the competition

The Parks Canada Agency is established as a separate employer in the Federal Public Service under the Financial Administration Act. Persons appointed to the Agency continue to be part of the Public Service. The Parks Canada Agency operates under its own human resources framework outside of the Public Service Employment Act and in line with values of fairness, competence and respect, and its operating principles.

In accordance with paragraph 8(2)(a) of the Privacy Act, information or material, whether provided directly by the candidate or otherwise obtained by the selection board, used during the selection process for the purpose of assessing a candidate may be used as part of the selection review and recourse processes. Such relevant information may be provided to third parties, such as other candidates or their representatives, who have a legitimate reason to be aware of that information.

Persons who have received pay in lieu of unfulfilled surplus period, a Transition Support Measure (TSM) or an Educational Allowance and are re-appointed to the Parks Canada Agency are required to reimburse an amount corresponding to the period from the effective date of such reappointment or hiring, to the end of the original period for which the TSM and education allowance was paid. Please contact CoastalBC.HR@pc.gc.ca if you are one of these individuals to find out how this applies to your particular situation.

Persons who are in receipt of a Canadian Government Public Service pension and are considering this employment opportunity with the Parks Canada Agency, should contact the PWGSC Public Service Pension Centre (1-800-561-7930) in order to determine the impact of an appointment on their pension benefit entitlements.

Please submit your completed application, including all of the above-mentioned documentation. Failure to do so may result in your application being rejected.

Preference will be given to any modern day veteran who was honourably released from the Canadian Armed Forces

(CAF) after at least three years of service and is not already an indeterminate public servant. This preference applies for five years following release from the CAF.

The Public Service of Canada is committed to building a skilled, diverse workforce reflective of Canadian society. As a result, it promotes employment equity and encourages candidates to indicate voluntarily on their application if they are [a woman, an Aboriginal person, a person with a disability or a member of a visible minority group](#).

The Public Service of Canada is also committed to developing inclusive, barrier-free selection processes and work environments. If contacted in relation to a job opportunity or testing, you should advise the Public Service Commission or the departmental official in a timely fashion of the accommodation measures which must be taken to enable you to be assessed in a fair and equitable manner. Information received relating to accommodation measures will be addressed confidentially.

We thank all those who apply. Only those selected for further consideration will be contacted.

HELP WANTED!

CWFS Summer Student Position Available

The Central West Coast Forest Society (CWFS) is seeking a summer student for a part-time/full-time position for June to August 2016. The successful candidate will be responsible for guiding weekly interpretive walks on the Wild Pacific Trail and assisting with various in-stream and riparian restoration projects by working directly with project managers and restoration crews. Based out of Ucluelet, the summer student will also be responsible for: communications and social media, data entry, monitoring, field work including surveys and restoration work and other related duties.

Wage: \$18.50/hour

*Housing not provided

*Position will include some evening/weekend work

Responsibilities

- Plan and give guided tours of the Wild Pacific Trail
- Assist crews with in-stream and riparian restoration projects
- Data entry and note keeping
- Communication and social media updates about various projects
- Assist with assessment surveys and monitoring
- Other duties and tasks as needed

Qualifications

- Must be a current student, returning in the fall to high school or post-secondary school
- Knowledge of biology, forestry and the environment is an asset
- Comfortable working outdoors under various conditions
- Interest in local ecosystems and biological communities is desirable
- Data management skills including experience with MS Excel is an asset
- Excellent oral and written communication skills
- Able to meet deadlines and maintain working relationships with other staff and contractors
- Ability to multi-task

Apply in person before **June 3, 2016** at our Ucluelet office or by emailing your cover letter, resume and references to: info@clayoquot.org, Attn: *CWFS Summer Student Position*
